Restwell Lars Leather Rise & Recline Armchair - Dual Motor

The New Restwell Lars Dual Motor Rise and Recliner is one of the first in the Restwell range of chairs to offer high quality leather and bring a new contemporary style to the range. It truly is one of the softest, most comfortable recliner chairs we have ever had in the Restwell range.

The New Restwell Lars Rise and Recline chair is a refreshingly simple design which will fit into most interiors and offers a more contemporary style and finish for those who prefer a more modern design. Extending the range of rise and recline chairs into contemporary design with leather finish for a great value price has proven extremely popular and the Lars rise and recline chair has become one of More Than Mobility's top sellers almost immediately! Now recently available in dual motor which allows you to operate the back and legrest independently and enhance your optimal

seating position.

So go ahead and put your feet up and relax in the Restwell Lars Rise & Recline Armchair and with the simple touch of a button it will gently lift you into a standing position. This excellent Rise & Recline chair only require a few inches from the wall to fully recline, hence it is ideal where space is a premium. The offer a top user weight of 27.5 stone so are robust and of course comes with a handset for simple operation.
