If climbing the stairs in your home is starting to become quite difficult, or even dangerous, then you may want to think about investing in a good quality **home stair lift**. Installing a **stair lift** can greatly improve your independence, and allow you to continue living in, and indeed enjoying, all the areas of your home. More often than not, a new **stairlift** means there is no need to move home, which can be a very stressful and expensive alternative.

As one of the UK's leading suppliers of disability aids and mobility products, **More Than Mobility** has an incredible selection of **stair lifts for the elderly**, and all of our easy-to-use **stair lifts** are quickly installed, and are compatible with most standard stair cases.

Here at More Than Mobility, we have three different types of **stairlifts** available for our customers to purchase:

Straight Stair Lift -The **straight stair lift** is just as straightforward as it sounds. Our **straight stairlifts** are quick and easy to install, the elegant chair patterns and unobtrusive designs of the machines allow the **stair lift** to blend seamlessly into your home's surroundings. Our **Straight Stair Lift** prices start from £1,250. [Click here for more details](#)

Curved Stair Lift -The **curved stair lifts** on offer from More Than Mobility are designed for curved or straight staircases. Our **curved stairlifts** are specifically designed with turns and curves in the rails, meaning they can tackle practically any staircase. Our **Curved Stair Lift** prices start from £3,800. Outdoor Stair Lift -Yes, a **stair lift** for outdoors! Our **outdoor stair lifts** are, as the name suggests, designed and manufactured specifically for outdoor staircases. Whether you have difficult garden steps or an elevated sun deck or porch, an **outdoor stair lift** will bring your garden or front door within easy reach again. Our **Outdoor Stair Lift** prices start from £2,695. [Click here for more details](#)

All of our **stairlifts** come with a full 12 months' comprehensive warranty, as well as 24 hours a day 7 days a week after-care service. With a range of high quality **home stair lifts** manufactured by Acorn or Brooks **Stairlifts**, all of our **stairlifts** are built to last, with low maintenance and high reliability.
