Trabasack Mini - Slimline and Lightweight

Trabasack is a new concept lap tray: with a spacious bag to carry belongings and a bean bag base. Its distinctive curved edge is ergonomically designed to hug the body's contours and fit snugly against your waist.

The Trabasack is a light weight lap tray that can be used as a bag too. Use it for food, drinks or working and playing on the move. It is ideal for buggies, chairs and carseats. For old or young alike. The range of straps supplied means it can be attached in variety of ways making it very versatile for different people and many carrying options as a backpack, briefcase or messenger bag.

Â

The Trabasack Mini is a super slim lap tray bag but big enough for iPads, most notebook/netbook computers and smaller laptops. It looks like a smart briefcase or messenger bag and can be worn as a rucksack or shoulder bag. It has a firm faux-leather surface on one side, and a bean bag cushion insert on the other, achieving a level surface wherever you want one.

Â

A smart looking black bag that you can take anywhere. There is also a black version in the special Mini Connect tray that has a fabric surface that you can attach things to with a hook or velcro tape.

Trabasack is machine washable at 30C and comes with a one year guarantee. Â

The handles and choice of strap options means that you can take this lap tray anywhere. Use side straps to clip it onto a chair or buggy to create a travel play tray.

The Trabasack is suitable for adults and children.

Perfect as a lapdesk for netbooks, tablets and ipads and laptops.

Includes two long straps. These can be used as shoulder straps, rucksack straps or a bum bag style waist straps.
