Scooter Shelter

£265.00

For those who have nowhere to store their mobility scooter the scooter garage/shelter offers the perfect inexpensive solution. Â Protects your mobility scooter from unwanted attention and rain and offers protection and cover.Â Simply drive your scooter onto the metal base plates and pull the heavy duty, fully water resistant, metal frame structure over your scooter.Â

Rigid folding steel structure with heavy duty canvas cover Uses scooter weight to secure to the ground Has holes to secure and fix to the ground if required

Two access flaps for easy battery charging. Can be locked with padlock (not supplied) Suitable for medium to large mobility scootersÂ

Size:

Height:Â 53" - 134cm Width:Â 39" - 98cm Length: 64.5" - 164cm
